

## Verification of Summer Reading

**Parents are responsible for verifying** that a book has been read by their child, or that they have listened attentively to one that has been read to them. Titles of books, authors, number of pages in the book, and point values should be recorded on the child's literature log and submitted to classroom teacher by September 6. **The required parent signature certifies that the parent has verified the child's reading as well as the accuracy of all points recorded.**
