How to use the Prayer Sheets:

This booklet is broken into one page per day. Each day we will focus on one attribute of God. For example, on day one, we will focus on God being **ABLE** to bless us abundantly.

We will first spend time **praising God for WHO HE IS**. Some verses have been shortened to save space. Please take time to look up these verses in context. We have listed additional verses for extended praise and worship if desired.

We will then take time to **confess our sins**. *If we confess our sins, He is faithful and righteous to forgive us our sins and to cleanse us from all unrighteousness.* 1 John 1:9 (NASB). This ensures that we are not distracted by our sin and are ready to enter the presence of God.

After confession, we will spend time **THANKING God** for everything he has done for us! We are to give thanks in all things. Sometimes when we remember how much we have to be grateful for, it changes our prayers a bit. It helps us see what is really important.

Last comes **INTERCESSION**. Praying God's Word over our school ensures that we are praying in His will. We will also have some specific prayer requests each day so that even when we are not together physically, we are praying in unity as one body in Christ.

There is no right/wrong way to pray. These 4-steps help us to pray powerfully and effectively and help us to stay focused in our prayer time.

Thank you for taking time this month to pray over Heritage Christian Academy, the teachers, staff, students, School Board, and Foundation. We pray this is a special time of prayer and reflection for you and your family.
