

HCA Athletics 2026-2027

Online Registration Instructions

Please complete your online registration using the following link:

Registration Form: <https://payit.nelnet.net/form/23ijRuOh>

You may register up to four (4) children from the same household on a single registration form. Be sure to complete all required information for each child before submitting the form.

Before You Begin

Please have the following information ready:

- Student name and grade
- Parent/guardian contact information
- Insurance Information
- Payment method (ACH/bank account or credit card)
- Date of your child's most recent physical

Step 1: Open the Registration Form

Click the registration link above to access the online form.

Step 2: Select Your School

When you see the "**Select School**" dropdown, **please choose the school where your child is academically enrolled.** This should be your child's enrolled school for academics, **not** the school they may be participating with for athletics or extracurricular activities.

Step 3: Complete All Required Fields

Fill out each required section of the form. Required fields are typically marked with an asterisk (*). Double-check that all information is accurate before continuing.

Step 4: Review Your Information

Carefully review all entries to ensure names, contact information, selections, and other details are correct.

Step 5: Agree to the Terms

Read the electronic consent and terms and conditions. Check the agreement box and provide your electronic signature where requested.

Step 6: Submit Payment

When you reach the payment section, **select the athletic fee that matches both your child's grade level and the school where they are academically enrolled.**

For example:

- If your child is a **middle school student** who attends **Heritage Christian Academy (HCA)** for academics, select the **"HCA Enrolled Middle School Fee."**
- If your child is a **high school student** who attends **Ridgeview** for academics, select the **"Unenrolled High School Fee."**

Please be sure to choose the fee based on your child's academic enrollment, not the team they are participating with. Selecting the correct fee helps ensure your registration is processed without delays.

Payments may be made by **ACH (bank account)** or **credit card** through the online registration form.

Step 7: Submit Your Registration

After verifying all information and payment details, click **Submit** to complete your registration.

Step 8: Submit Your CHSAA Physical

Your athlete's registration is not complete until we have received Page 4 of the CHSAA Sports Physical Form.

Please submit **Page 4 only** by one of the following methods:

- **Email** it to **Paige Taylor** at paige.taylor@heritagechristian.info, or
- **Drop off** a copy at the **Heritage Christian Academy Front Office**.

Please ensure the physical is current and unexpired. Registrations cannot be finalized until Page 4 has been received.

CHSAA physical forms may be found here:
